

Design story of the Array

Array is our modular cabinet system, offering endless possibilities to shape your space from predefined base elements. The sleek, minimalist design fits into any environment, while the system's flexibility ensures a functional and stylish storage solution that grows with you.

Array stands for order and clarity. This system offers the perfect balance between display and storage, with a smart layout that clearly separates the lower and upper modules.

Material	Mass [KG]	Share	Content
Wood	251,30	88%	25% recycled
Steel	32,40	11%	40% recycled
Plastic	2,60	1%	Virgin
Total	286,30		

Based on the Array modules OL_120 + OL_120+BA, depth 45 cm, finished in melamine.

About Lande

At Lande Family, we design and produce only high-quality, durable furniture with lasting value. We are committed to a circular furniture industry without waste — an ambitious goal, but one we firmly believe in.

Circular/sustainable design strategies

- Designed for longevity
- Designed for material recyclability
- Modular design - allows for scalability or adaptation across different applications

Warranty

Lande offers a 5-year warranty on manufacturing defects for standard products (materials and construction). This warranty does not cover wear and tear, damage to upholstery, surfaces, finishes, improper use, or similar conditions. For more information about our warranty terms, please visit [lande.nl](https://www.lande.nl).

Labels, tests and certificates

Lande is ISO 9001 and 14001 certified.
