Huddle

Lande Design Team | 2024

Discover Huddle: more than just a table. It's a meeting point for colleagues. A place to kick off the day, quickly share updates, or brainstorm together.

The pill-shaped top encourages a collaborative approach and invites a team to work together. A solution for your team's success, where winning starts with collaboration.

The Huddle table originated from a specific market request. What began as a bespoke solution for a client evolved into a design with clear potential, earning a permanent place within the Lande collection.

A large, dark wood cabinet with a combination of closed doors and open shelving. The left side features two tall, solid doors. The right side has four open shelves. The top shelf holds a potted plant with green leaves and a white pot. The second shelf from the top holds two silver salt and pepper shakers. The third shelf holds several colorful ceramic containers in shades of yellow, green, and brown. The bottom shelf holds several grey ceramic bowls or plates. Below the shelves are two large, solid doors.

A kitchen counter area with a light-colored countertop. A white coffee machine is positioned on the left side of the counter. To the right of the coffee machine is a sink. The wall behind the counter is covered in vertical wood slats. Two pendant lights with black cords and white shades hang above the counter. To the right, there are two dark wood floating shelves holding various small items.

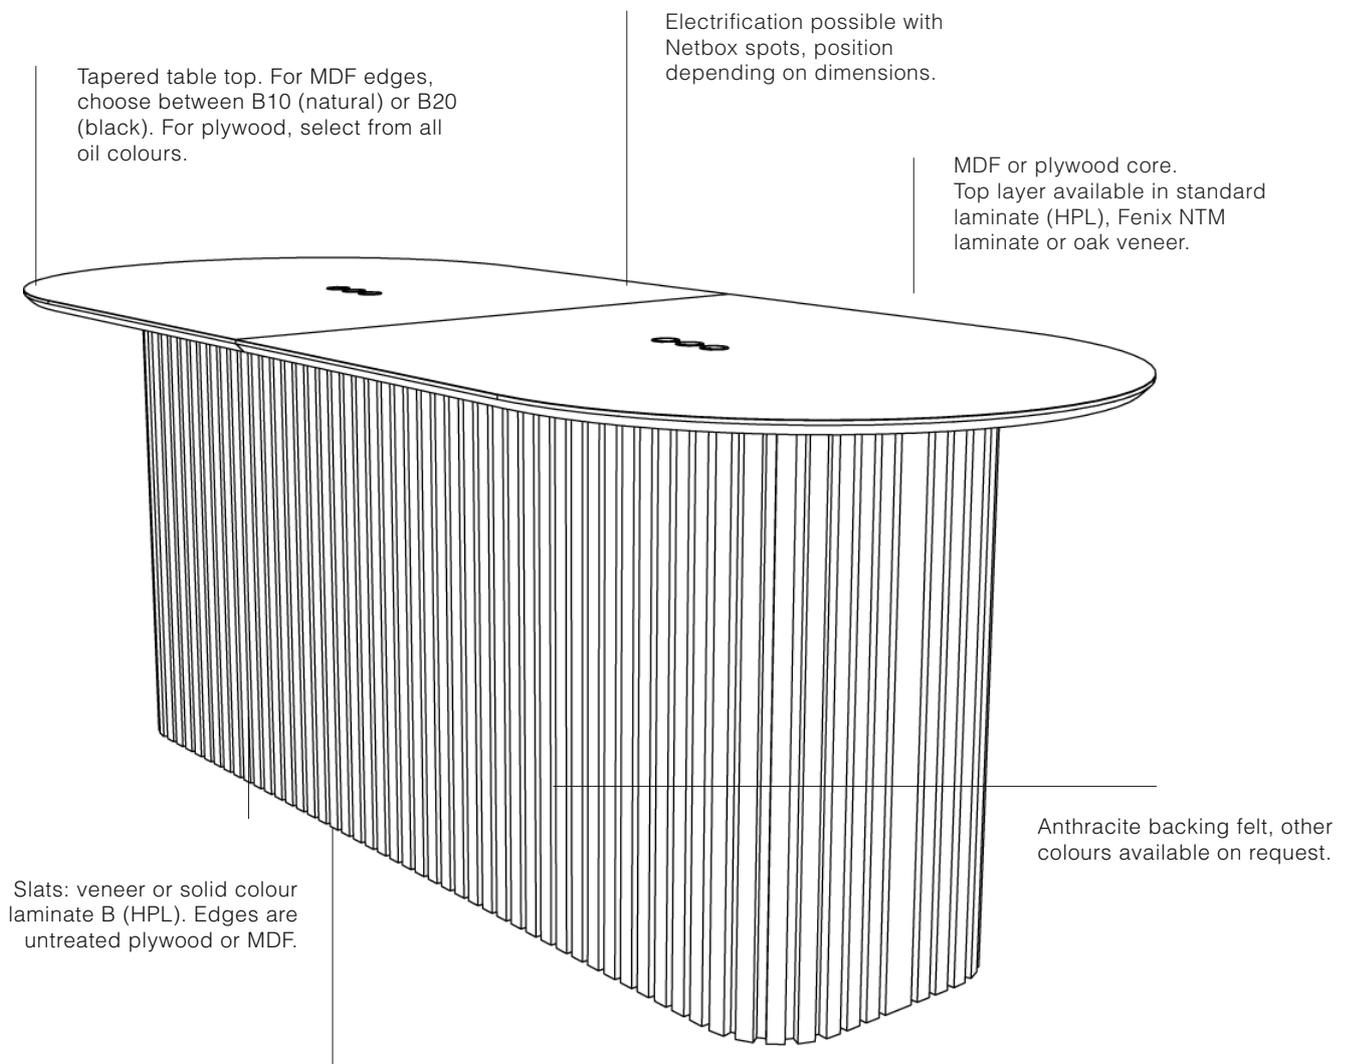

A round, light-colored wooden table with a modern design. A bright yellow chair with a matching backrest and light-colored legs is tucked under the table. The table is positioned in the foreground on the right side of the image.
