

Table rectangular 6 legs, 320x90 cm

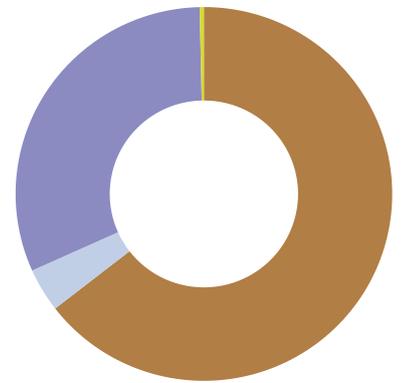

Design story of the Node table

Node is a versatile table system designed to meet the demands of the modern office. Created to facilitate meetings and connections, it is functional, flexible and adaptable to any situation.

The Node table offers a wide range of table tops, shapes, and sizes. You can choose from various seating and standing heights and have the option to add casters. With options for functional lighting or electrical outlets, the versatility of the Node collection is complete.

	Material	Mass [KG]	Share	Content
●	Wood	62,035	67,72%	50-70% recycled
●	Aluminium	3,930	3,97%	30-80% recycled
●	Steel	32,564	32,93%	40% recycled
●	Plastic	0,372	0,38%	Virgin
	Total	98,901		

Based on the rectangular 6 legs Node table, height 75 cm, 320 x 90 cm. Maigreen plywood + Forbo Linoleum finish.

About Lande

At Lande Family, we design and produce only high-quality, durable furniture with lasting value. We are committed to a circular furniture industry without waste — an ambitious goal, but one we firmly believe in.

Circular/sustainable design strategies

- Designed for longevity
- Designed for re-use and repair
- Designed for serviceability
- Designed for material recyclability
- Easy to disassemble
- Flatpacked for transport
- Modular design - allows for scalability or adaptation across different applications

Warranty

Lande offers a 5-year warranty on manufacturing defects for standard products (materials and construction). This warranty does not cover wear and tear, damage to upholstery, surfaces, finishes, improper use, or similar conditions. For more information about our warranty terms, please visit [lande.nl](https://www.lande.nl).

Labels, tests and certificates

Lande is ISO 9001 and 14001 certified. Certificates for the various materials for table tops are available upon request.
